WHO IS DISABILITY LAW COLORADO?

Disability Law Colorado (DLC) is the Protection and Advocacy System (P&A) for the state of Colorado. We protect and promote the rights of individuals with disabilities throughout Colorado. We provide technical assistance, self-advocacy support, community education, and direct legal representation for clients in many areas. We also have the authority to monitor facilities where people with disabilities receive services and to investigate allegations of abuse and neglect.

HOW WE CAN HELP:

We may be able to help if you have been mistreated or believe your rights have been violated. DLC may also be contacted about issues related to disability, including medical or mental health treatment, placement, and conditions in a facility.
